

December Meeting Announcement

READY TO LEARN HOW TO MAKE A WINNING PITCH FOR YOUR INVENTION?
HOW TO RAISE CAPITAL FOR YOUR PRODUCT FROM A VARIETY OF
ENTREPRENEURIAL COMPETITIONS?

JOIN US AT PITCH NIGHT AT GRIN!

We have five inventors ready to pitch their invention and share the story behind their journey. Plus, we have a very special guest, who is absolutely crushing it with his company!

Austin Groesser: Big Dipper Dough Mission: To provide the best Cookie Dough on the market, AND providing the best Customer Service Experience ever received.

Korey Cook: Submersive Solutions Non-invasive River Turbine: We offer a renewable energy source that is non-invasive and much more efficient than what is already on the market.

Jason Burt: Stow Fitness STOW Fitness is a new fitness equipment product designed to provide full featured equipment while taking up Zero space within a room.

Julie Burrell: Pumpndo Made in Michigan, the Pumpndo is a must have accessory for every nursing mom!

HetherFray: Kaleamazoo Chips Hether created Kaleamazoo Chips in 2013 in her kitchen, inspired by her passion for encouraging folks to eat fresh, local, and delicious foods. Distribution of Kaleamazoo Chips is expanding quickly around Michigan.

And our very special guest:

Jordan Vanderham: Orindi Ventures Orindi Ventures offers a mask that allows cold air workers to breathe in warm air. Jordan is excited to share his stories on winning pitch contests!
