

April GRIN Meeting

Intellectual Property for Inventors

Mikhail Murshak will be discussing intellectual property for inventors and entrepreneurs. He will be talking about the legal protections that are important for inventors to know about.

- A quick guide to the difference between Patent, Trademark, and Copyright
- Understanding the value of provisional patent applications and how they differ from regular utility patent applications.
- Important considerations with regard to Confidentiality Agreements, Trade Secrets, and Licensing.

Mikhail Murshak is experienced in all aspects of intellectual property law specializing in patent and trademark acquisition. His background includes preparation and prosecution of patents in the area of consumer products, computer technology, automotive aerospace, chemical engineering, nanotechnology, sleep technology, and much more. Working with start-up technology-based businesses is Mr. Murshak's primary area of interest. This includes assisting his clients with negotiating terms, reviewing agreements, and due diligence.

Mikhail Murshak is an Intellectual Property Attorney at Loomis Law Firm based in Lansing and Grand Rapids
