

December 11th  
GRIN Meeting

## GRIN End of the Year Mixer

This is the perfect time of year to refocus and regroup. Do you have an idea that you'd like to get feedback on? Have you hit a roadblock with your invention? This month, GRIN is hosting a year-end mixer and opportunity for you to get YOUR questions answered! Bring your idea, prototype, invention or anything in between. Fellow members and GRIN board members will be on hand to give you feedback and answer your pressing questions 1-on-1. This is your opportunity to get connected and walk away with valuable feedback to help you kick off the new year right!

Location: The meeting will be at the GVSU Eberhard Center (301 Fulton W, Grand Rapids, MI 49504). Free parking is available at the Fulton Lot, located underneath the 131 overpass. If there is a parking lot attendant, let them know you're with GRIN. Here is a campus map. From the Fulton Lot, cross Fulton Street and the meeting space is on the second floor of the Eberhard Center. The meeting room is 215-A. There will be directional signage to the meeting room inside the building.
